The reconciliation of the 2019 actual receipts to your estimate will be calculated using the 2019 millage rates. Your payment for Tax Year 2020 will consist of two components: the 2019 reconciliation, calculated on the gross volume of business from 2019, and an estimated payment for 2020.

The estimate for 2020 must reflect the higher rates for 2020. Please use the below table to assist in calculating the amount to be paid as an estimate and reported on Line 7 of the Business Privilege / Mercantile Tax return.

Type of Receipt	Gross Volume of Business		Combined Municipal and School District Tax Rate	Tax Due
Wholesale		X	0.00100	
Retail		X	0.00150	+
Service		X	0.00225	+
Rental		X	0.00225	+
