

Berks EIT Bureau (BEITB) Individual Payment Plan Guidelines

The BEITB provides a program to assist individual taxpayers who are delinquent in payment of their individual earned income tax liability. This written agreement allows individual taxpayers to make monthly installments of taxes due plus penalties and interest.

General Guidelines:

- A taxpayer is only permitted to be on one (1) payment plan at a time – multiple payment plans are not permitted.
- One (1) payment plan for multiple tax years is acceptable.
- Interest and penalties are calculated to the start date of the agreement.
- Any individual BEITB taxpayer accounts with a delinquency will not be eligible for a payment plan.
- The payment plan is a request, not a guarantee. The agreement is only considered established when authorized by BEITB and signed by taxpayer.
- Once authorized by BEITB, please allow 2-3 weeks for paperwork to be processed and mailed to taxpayer.

Financial Guidelines:

- The payment plan set up fee is \$25.00.
- A down payment of 25% of the outstanding tax liability is required to set up a payment plan agreement.
- In addition, a \$5.00 per payment processing fee will be incorporated into the payment plan agreement.
- Payments can be made via cash (at our office only), check, credit card payments through www.officialpayments.com (fees apply), or automatic debit payments. Payment option details will be mailed upon acceptance of payment plan.
- A bad check (NSF/closed account) will incur an additional \$50.00 fee and may result in legal action against you.
- Failure to make a payment of the amount due - and at the time set forth in the agreement - will result in the cancelation of your payment plan. Additionally, your balance will be turned over to a collection agency with no additional communication to the taxpayer (additional interest, penalties and/or fees may apply).
